A perilous Warning to not Wolf your Yogos®

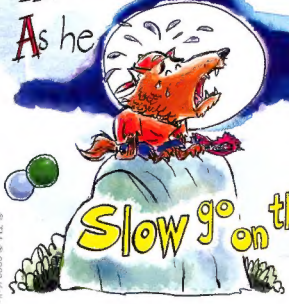
Willie O'Dilly was a quite normal lad,
Whose Love for Yogos® drove him howling mad.

When he first poured them in sheer fascination,
he discovered a Fruit - flavored, Creamy Sensation.
Willie quickly grew FANGS by the light of the MOON.

Overcome with delight he BARKED and he crooned.

As ever more Quickly he Knoshed and he Knibbled,
there was lesser and lesser of our werewolf's sweet Kibble.
When, all too soon, Willie's last BITE was finished,
His desire for their taste still hadn't diminished.

As he howls at the moon
to vent his Sorrows.



Remember his Lesson:
Slow go on the Yogos®

LET'S HOPE THEY DON'T BLOW IT UP.
THEY'LL BE FINE, BRAINY.

IT WILL TAKE TIME TO REBUILD THE LEGION, BUT WE'RE DETERMINED.
DAWNSTAR'S ALREADY GOT A LOCK ON THE WHITE WITCH.
WE'LL FIND ALL OUR TEAMMATES.
AND WE'LL STAND TOGETHER AGAIN.
RED SUN, MAGIC WAR, IT COULD BE RAINING KRYPTONITE, I DON'T CARE.
NEXT TIME YOU NEED MY HELP, YOU LET ME KNOW.
WE WILL.
THE TIME SPHERE THAT BROUGHT YOU HERE WAS SHATTERED INTO A THOUSAND PIECES. IT WILL TAKE ME A MINUTE OR TWO TO REPAIR IT.
WE'LL RETURN YOU TO YOUR ERA--

"--BUT WE WON'T FORGET YOU THIS TIME."
BOOM
--LIGHTNING LAD WAS LIKE, "IT DOESN'T STRIKE TWICE? HOW ABOUT A DOZEN TIMES!"
HAHAHAHA! THAT WAS THE MOST AMAZING ADVENTURE I'VE HAD IN MY ENTIRE LIFE!
WE'RE GLAD YOU ENJOYED THE VISIT, KAL.

YOU THINK WE'LL EVER SEE EACH OTHER AGAIN?
WHAT ARE YOU DOING TOMORROW?
WELL, I'M... I'M NOT DOING ANYTHING.
KRAK-OOM
MEET US HERE AFTER SCHOOL!

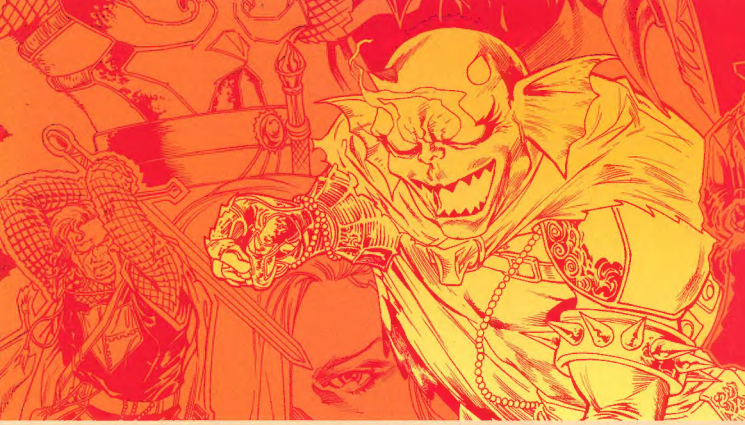
WHO WILL ANSWER THEIR CALL FOR HELP?
FINAL CRISIS!
LEGION OF THREE WORLDS
GEOFF JOHNS • GEORGE PÉREZ
AUGUST 2008



"Better the devil you know than the devil you don't."

This saying is about to take on a dangerous new meaning for the DCU. Hi, I'm Senior Story Editor **Ian Sattler**. You might remember me from other great installments of DC Nation such as "Hi, I'm Ian Sattler" and "Finishing Dan DiDio's Tour of the Office Because He's Busy." I'm here to shed some light on the infernal upheaval set to take place this June with the release of **Reign in Hell** by **Keith Giffen** and **Matt Clark**. For years Neron has ruled Hell, the mystical underworld of the DCU. During this time he has been responsible for all manner of sinister acts and hideous treachery, but his power was severely diminished after he was imprisoned in Dr. Fate's tower during **52**. Sensing an opportunity to seize control during Neron's absence, Lord Satanus has declared war in Hell, starting with a vicious attack on Purgatory. This assault triggers a "draft" as all the black magic on Earth is forcibly recalled to Hell to fight in the war. And this is just the start of Reign in Hell…

Trapped in the middle of this war are the mystical heroes of the DC Universe. For many of them, the idea of Neron being destroyed is a welcome relief. Others fear that this new devil could be far more dangerous than the one they have known in Neron. Forced to choose sides, their allegiances will shock you.

In the wake of such a devastating battle, you can also expect to see surprise players enter the fray and the balance between good and evil changed forever. With the draft leaving a void where evil power used to dwell, what forces will rush in to take charge? And who is leading the resistance forces against both Neron and Satanus in Hell?

But wait, there's more! Each issue of Reign in Hell will also feature a backup story starring Dr. Occult as he encounters every faction involved in the war on a path that will lead him into Hell and beyond.

Did I mention that Reign in Hell is written by Keith Giffen? I can't think of a better person for the job, and that was before I heard his wild ideas about the various players and his very detailed take on Hell that is poised to set a new standard for the way this region is treated in future stories. Keith is really taking the idea of "war is hell" to new heights…or is it new depths? Either way, get ready for an incredible ride as Reign in Hell kicks off its 8-issue run this June.
